

GRADUATE RESUMES

Exercise Physiology / Sport and Exercise Science

Your success in gaining an interview for a graduate position or progressing further in the application process, hinges upon the quality of the written application you provide to an employer.

This is your opportunity to demonstrate that you possess the necessary knowledge, skills and abilities for the position.

Tailor your resume

Your resume is a marketing tool. It is essential that you tailor your resume for every job application to increase the fit between you, the job and the employer.

Thoroughly research the organisation and the position to determine what the employer is looking for.

A role in the public sector may have a different focus from a private company. Your resume layout/style may vary according to the sector you are applying to.
