## Inclusive Practice Award Nominations 2024

If a JCU staff member has been really effective in assisting you find solutions, smooth obstacles provide support beyond the basic level, and/or create an environment where you can get on with achieving (and perhaps didn't even need to talk to us) then please take the time to nominate them

Staff you nominate won't be given your name but they will be acknowledged at an awards event in October where their IP Awards will be presented by the Vice Chancellor (or a representative). Students are also invited to this event. IP Award winners are listed permanently on our website.

You can nominate any JCU staff member you've encountered from SP2023 to now: 03 Oct 2023 to 04 Oct 2024
